SRMi Consulting, LLC

In today's world we are finding that everything we do is done on an accelerated basis. The demands which this need for speed has placed on Healthcare delivery has been tremendous. At the same time, we must assure that the quality of what we deliver is not compromised, and that we perform within the defined standards for our areas of specialization, medical practice, and / or hearing conservation consultation.

Benson Medical Instruments Company's **New Upgrade Assurance™** provides a guarantee that the installed version of the Plus™ or Solo™ Hearing Conservation Reporting System is up to date. The subscription price guarantees timely delivery of all software releases for up to three years from date of purchase. Using the latest products helps ensure compliance with latest regulations and best practices. You will have the benefit of the latest enhancements, features, and fixes. You will not be faced with unexpected upgrade charges during the year.

SRMi Consulting, LLC takes the **Upgrade Assurance™** to the next step - **Enhanced**. During the subscription period SRMi will install all upgrades, provide Toll-Free 24/7 Support, and provide the necessary system training at the time of installation. If additional On-Site Training is required it is available at a reduced rate.

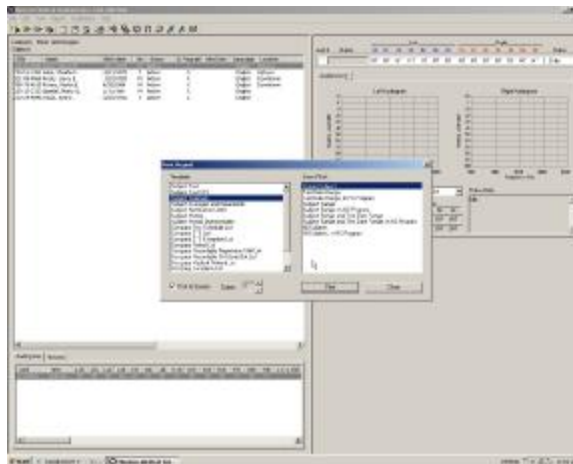

At SRMi Consulting, LLC. we take the concept of "**Taking Quality Healthcare Services into the Community**" and make it a reality
